

Small Piñatas (Jute)

- Brush flour-water mix on both sides of a piece of jute (28x25 cm); put 1 teaspoon of cereal on the lower half & fold the lower end up (s. picture below)

- after that fold the left & right side inwards

- fold the lower border up again (s. left picture) & then fold the rectangle together lengthwise (s. picture below)

- fold the rectangle together, wrap a fiber (of length 24 cm) around it once, tie the string, & let the small piñata dry
